ABOUT US

Balıkli Audit | Advisory was founded Turkey's first and only boutique brand as Balıklı Audit by Tuğba Balıklı in 2005. Since our establishment, within the framework of IFRS and financial reporting standards and independent audit services, we have met all the financial needs of companies in the field of financial affairs with our financial management strategy services, consultancy, accounting and tax services. With ADMETAM of which we are a member, we provide value to our customers as an international power with over 1000 employees of 115 audit companies in 70 countries worldwide..
